Addition War

Materials:

deck of cards with jokers removed

1. Deal the deck between the two people until all of the cards are dealt
2. Each person turns over 2 cards.
3. Each person adds his or her numbers together.
4. Whoever has the highest total keeps all 4 cards
5. If the totals are the same, each person lays down 1 more card.
6. The player with the highest card keeps all of the cards.
7. Continue to play until one player has all of the cards

For 1st grade: J, Q, & K = 10
For 2nd grade: J=11, Q=12, K=13
